

School Bags

Each year we make your child a school bag with their picture on it! We start early making our bags so we need your help!

If you have already sent a picture, please disregard!

Please email the school with a photo of your child.

- Make sure that you can clearly see their face and that they are the only one in the photo.
- It can be vertical or horizontal, and it can be any size!
- In your email, please let us know what you would like your child to be called in school, and how you want them to learn to write their name.
 - Examples - if your child's name is Joshua, but you want him to learn to write and be called Josh, or if their name is Mackenna but you want her to write and be called Kenna, we would like to know that now so their bag will reflect what we are doing in class.

There are a few ways to send in photos:

- If you have the picture on your phone or computer - Email them to ABCChristianLA@gmail.com. Make sure to include your child's name.
- If you do not have a picture in digital form you can: Drop the photo in our mail slot on our school door - Door "D". (These photos will be returned to you, so please write your child's name on the back!!)

Please send the pictures for the bag as soon as possible!

Please do not buy a backpack for your child to bring to school! We make them a school bag here at ABC and this bag serves multiple purposes:

- It has their name and picture on it to help them with name recognition, and helps them find their coat hook easier.
- These bags allow easier access to their folders and other items. Backpacks are often difficult for them.
- Our bags collapse when the folders are taken out, so they hang easier on our hooks. Backpacks are much larger and take up space over another child's hook!

Thank you!
